Continuation of Substance of Interview including description of the general nature of what was discussed: The Examiner telephoned the Attorney-of-Record to discuss allowable subject matter with regard to a new reference, Kye (US 6,602,794) found during the updated search. The Examiner suggested the insertion of the limitation "to form said dual damascene pattern" at the end of independent claim 1 to overcome the new reference. Permission to make the change was given on 6/9/04.
